

BinSprint Curbside Bin Service Agreement

This Service Agreement (“Agreement”) outlines the terms and conditions under which BinSprint (“Company”) provides curbside trash bin service to the undersigned customer (“Customer”).

1. Scope of Service

BinSprint provides residential curbside trash bin service, which includes rolling designated trash and/or recycling bins to the curb the night before the scheduled municipal pickup day and returning those bins the evening after pickup. Service is provided on a recurring weekly basis according to the Customer’s municipal trash schedule.

2. Pricing & Included Service

The standard monthly rate is \$40 per month, billed in advance, and includes service for up to two (2) standard wheeled residential bins from a standard-length driveway with reasonable access.

Additional Charges

Additional fees may apply for more than two bins, long or steep driveways, or special access situations. BinSprint may assess service conditions during the initial service period and notify the Customer of any required pricing adjustment prior to the next billing cycle. Service will continue at the adjusted rate only with Customer approval.

Excluded Items

BinSprint does not move loose trash bags, bulk items, furniture, appliances, construction debris, or yard waste outside of standard bins.

3. Bin Accessibility & Safety

Customer agrees to ensure bins are reasonably accessible and safe to retrieve. Normal garage parking is acceptable provided there is a clear and safe path to the bins. If bins are stored inside a closed garage, Customer must provide a working access method. If bins are not accessible, service may be skipped without refund.

4. Service Interruptions

Service may be delayed or canceled due to severe weather, unsafe conditions, municipal disruptions, holidays, or other circumstances beyond the Company’s control.

5. Billing & Payment

Service is billed monthly in advance and provided on a weekly basis. Service begins after the first payment is received and continues on an ongoing, no-contract basis unless canceled.

6. Cancellations

Customers may cancel service at any time, effective at the end of the current billing period.

7. Limitation of Liability

BinSprint is not responsible for missed service due to inaccessible bins, damage resulting from pre-existing damage or normal wear and tear, or municipal pickup errors or schedule changes.

8. Agreement Updates

BinSprint may update this Agreement with reasonable notice. Continued use of service constitutes acceptance of updated terms.
